In Memoriam

MEMORY

Into my heart's treasury
I slipped a coin.
That time cannot rust
Nor a thief purloin,
Ah, better than the minting,
Of a gold-crowned King
Is the safe-kept memory
Of a lovely thing.

In loving memory of Deacon Willie B. Jones, who departed this life seven years ago, March 21, 1969.

Wife and Children
3-25-1p

IN LOVING MEMORY of Katie Sue Allen, who passed away two years ago March 22, 1974.

Your memory to us is a
keepsake.
With which we shall never part
Though God has you in his
keeping,
We shall have you always in our
heart.
You're not forgotten dear
Mother and Ma-Allen
Nor ever shall you be,
As long as life and memories
last.
We shall remember thee.
Sadly missed by children and
grandchildren.
3-25-1p

In loving memory of Adolphus C. Cyrus who left us thirteen years ago on March 22, 1963.

Though thirteen years have passed,
The days seem very few,
Your leaving us was like a
dream-
That we couldn't believe was
true.
So unexpectedly and sudden,
You quietly went away,
Not being able to say good-by
Will always bring regrets.
But the ones who loved you
best,
Are the ones who don't forget.
Just a cluster of memories,
Sprayed with a million tears.
Wishing that God could have
spared you
Just a few more years,
Never shall we cease to love
you.

Never will your memory fade.
In some ways nearly every day
Memories of you come our way.
Thoughts of you are very dear.
Still loves, still missed still very
dear.
Sadly missed by Margaret,
Children and Grandchildren
3-25-1t

IN REMEMBRANCE of our loved one, Thomas E. Morgan, who departed this life on March 22, 1963.

Oh, how nice it would be today
Just to hear you come and say,
I am doing fine you can say for
I have entered into a world of
no more sadness, no more
trouble,
I am in peace, Oh such
wonderful peace.
We all loved you, but God loved
you best.
Rest on dear loved one,
For you have done your best.
Your loving daughter,
Emma F. Wood and Family

USDA To Determine 1977 National Wheat Allotment

The U. S. Department of Agriculture on March 9 called for public comment on the proposed size of the 1977 national wheat allotment.

Under current legislation, the allotment is used as a basis for making payments to wheat growers if the market price for wheat falls below the established (target) price or if growers qualify for disaster payments. The allotment is no way constrains, nor sets a limit, on the amount of wheat that may be planted.

Legislation provides that the Secretary of Agriculture proclaim a 1977 national wheat acreage allotment not later than April 15, 1976. The national allotment shall be the number of acres which the Secretary determines on the basis of the estimated national average yield will produce the quantity (less exports) that he estimates will be used domestically and for export during the marketing year for the crop.

If the Secretary determines that carryover stocks are excessive or an increase in stocks is needed to assure a desirable carryover, he may adjust the allotment by the amount he determines will accomplish the desired decrease or increase in carryover stocks.

Prior to determining the 1977 national allotment, consideration will be given to data, views and recommendations relative to estimates of the national yield, domestic utilization of wheat, exports, carryover and other data pertinent to this determination which are submitted in writing to the Director, Grain, Oil Seeds, and Cotton Division, Agricultural Stabilization and Conservation Service, U. S. Department of Agriculture, Washington, D.C. 20250. Submissions must be received by the Director not later than April 8. These comments will be available for public inspection in the Director's office.
